A celebration:

We are pleased to join with the people of Waitoa to celebrate 120 years of continuous Ministry and Mission on this site. The work began first as part of the Methodist Church of Aotearoa New Zealand which has continued to support the development and upkeep of the buildings. Deacon Dianne Hight has been responsible for ministry and community involvement for many years as an integral part of the Te Aroha Cooperating Parish.

Thank you Dianne for your dedication to this church and community and thank you also to members of the Waitoa Community and St David's Congregation who assist with the general maintenance of the buildings, lawns and gardens.

Study Group: Paul's Letter to the Colossians (6 weeks)

Starting Wednesday September 20, 2.00 – 3.00 pm in the Lounge

"This letter has long been one of the most beloved letters in the New Testament for Christians. It combines wonderful teaching about the greatness of the Lord Jesus Christ as well as application for Christian living. All of this occurs in four succinct chapters – a well-suited number for group study."

We have invited people from St Mark's Anglican congregation to join in this study group led by Stephen Fordyce.
